**THE MISSION OF ST. MARY SCHOOL IS TO
EDUCATE, INSPIRE AND ENERGIZE
CHILDREN WITH AN EMPHASIS ON CATHOLIC FAITH,
ACADEMIC EXCELLENCE AND COMMITMENT TO SERVICE**

SCHOOL PHILOSOPHY AND OBJECTIVES

- ❖ ***The task of education belongs primarily to the family and requires the help of society as a whole. Parents entrust a share in the work of education to the schools. St. Mary School accepts that trust and acts on the following principles:***
- **Spiritually**, assist in preparing children to take their places in the Catholic community and, by their lives, to proclaim their witness to the truth of Christ's teaching. During the school day we strive to create an environment that fosters children's appreciation of Catholic Christian values in life.
 - **Academically**, we present fundamental concepts in the subject areas so that students may develop and realize their full potential. We recognize the individual differences in each student and adapt the basic program through various groupings, supplementary materials, and use of support personnel.
 - **Socially**, we seek to help all children realize their full potential as constructive citizens in a continually changing society. We endeavor to assist students to build a strong foundation of values upon which they can make effective decisions for themselves and society. We respect the dignity of all children and, by our love and understanding; we contribute to their growth and development.
 - **Physically**, we strive to maintain a program that will ensure the proper growth and development of each child.

Recognizing that parents have a vital role and interest in the education of their children, parents are encouraged to:

1. Identify their concerns, make suggestions, and to interact with the whole school community.
2. Support in the home the total education program of their children, both academic and religious.

Recognizing our responsibility to the religious and spiritual well being of the students, St. Mary School strives to:

1. Develop a worshipping Catholic community where students will plan and participate in both weekly and special school liturgies and services.
2. Foster respect for basic Catholic teachings by requiring every student to participate in the formal religion program at St. Mary School as prescribed by the Archdiocese of Cincinnati.
3. Aid students in applying Catholic values to their lives by offering sacramental programs and encouraging involvement in ministries of service.
4. Integrate catholic religious truths within all subject areas.

Recognizing its role as an academic institution dedicated to excellence, St. Mary strives to:

1. Respect differences in abilities and learning styles by having teachers utilize materials and methods best suited to the individual student.
2. Realize each child's academic potential by encouraging creativity, intellectual inquiry, and self-directed behavior.
3. Enrich and broaden the learning experience of the children by drawing upon community resources and personnel.
4. Assure accountability of the staff and principal by appraising both periodically as prescribed by the Archdiocese of Cincinnati Catholic Schools Office.
5. Provide for continuing professional growth of the staff by encouraging faculty to attend in-service workshops, to observe other teachers, and to exchange ideas frequently among themselves.

Realizing that the social growth of the students is of great importance, St. Mary strives to:

1. Encourage the development of interpersonal relationships by teaching skills and nurturing values that will help students live harmoniously and work well with others now and in the future.
2. Aid the student in recognizing the importance of social courtesies and the need for rules and regulations.

Recognizing the importance of the physical growth and development of each child, St. Mary strives to:

1. Maintain a high quality physical education program within the school curriculum.
2. Encourage students to actively participate in the parish athletic program by supporting their endeavors within the school day.
3. Offer a well-rounded program that will enable students to grow in good mental and physical health habits.

~St. Mary School is fully accredited by the Ohio Catholic Schools Accrediting Association~

ATTENDANCE GUIDELINES

- ❖ *Regular attendance is not only essential for academic achievement and a successful school experience, but it is also required by law. The only legally recognized excuses are absence for personal or serious illness or death of a family member.*

ABSENCE

Parents should call St. Mary Attendance/Message Line 533-5527 option 1 before 8:30 A.M. each day your child will be absent. Please state your child's name, reason for absence, and homeroom. If the school office is not notified by 9 A.M. you will be contacted to verify the safety of your child.

- A note explaining the child's absence must also be given to the student's homeroom teacher upon his/her return to school.
- Ohio State Law prohibits missing school for any reason other than illness or death in the family. Parents must notify the school in advance of an intended absence and complete a Vacation Policy form and written note explaining the absence.
- Homework requests for absences longer than one day must be made prior to 9 A.M. on the second consecutive day of an illness.
- Prolonged absence of five or more consecutive days due to illness requires a note from the child's attending pediatrician/physician. The note should indicate the dates of absence and reason due to illness/medical need. When the child is expected to return should also be noted.
- Twenty or more absences may result in a student being retained or placed in the next grade level as opposed to being promoted. Cases will be reviewed individually by the principal, teachers and school psychologist.

TARDINESS

Students must be in their homeroom and ready for school to begin at 8:40 A.M.

- Students who arrive after 8:40 must report to the school office and will be marked tardy whether the tardy is explained or unexplained. If a child is late THREE times in one trimester, a note will be sent home to the parents/guardians from the principal.
- Students who arrive after 10:30 A.M. will be marked as one-half day absent.
- Students who are at school, leave for an appointment, and return will receive a tardy for attendance purposes.
- Students who are tardy for class will receive a responsibility mark (6-8) and the school office will be notified.
- Excessive tardiness may result in expulsion.

EARLY DISMISSAL

School is normally dismissed for the day at 3:30 P.M. In the event your child requires an early dismissal, parents are asked to write a note to the teacher stating the reason. Ohio state law prohibits teachers from dismissing a child from school unless a note bears the signature of the parent(s) and approval from the principal.

- A parent/guardian must come to the school office and sign out the child. The adult responsible for picking up the student may be asked to show proper identification. No child is permitted to leave the school grounds unless he/she has been signed out.
- A student leaving prior to 1:00 will be marked one-half day absent.
- State of Ohio guidelines require that early dismissal be used only for emergencies, and on rare occasions, difficult to schedule doctor appointments. **Students are responsible for reporting to the office on time for their early dismissal.**

VISITING OTHER SCHOOLS

St. Mary School students may not miss classes to shadow in other schools. Grade 8 students are encouraged to attend High School recruitment evening/weekends, Open Houses, and shadow high schools on days SMS is not in session. One "shadow" day will be designated during the fall semester for the entire 8th grade to visit a high school of their choice.

ARRIVAL/DISMISSAL

Once you arrive on school property, you may not leave school grounds for any length of time for any purpose. You may not leave the school premises at lunch, or any time, without a written note from your parents and approval from the principal. Field trips require a signed permission slip prior to participation. You must be under the supervision of a teacher or school personnel at all times. Students who arrive early to use the computer lab or library must have prior permission from a teacher and check in with the school office upon arrival.

- Adult crossing guards are stationed at the intersections of Shady Lane and Erie; and Monteith and Observatory. Student guards are at the intersection of Shaw and Erie.
- Traffic flows one-way, from north to south, on Shady Lane. In the morning and during noon recess Shady Lane is barricaded for the children's safety. Cars should never drive around or move these barricades.
- School buses load and unload children along Erie Avenue in front of the school. Cars are not permitted to park in front of the school on Erie Avenue before 8:40 A.M. and 2:45 P.M.
- Students may enter the school using the playground doors.

Children are directed to always show respect and obedience to the crossing guards and teachers on duty. Children should go home promptly after dismissal. Drivers should use caution and patience for everyone's safety. If a student misses a bus or ride, they must report immediately to the school office.

AFTER-SCHOOL HOURS

For safety reasons, students are not permitted to loiter after-school. Only students enrolled in after-school activities, the Before & After Care Program, and under the supervision of the teacher/coach may remain. If a student is to stay after school for an activity, a sport practice, a detention, or to make up work, parents must know in advance. Parents should make arrangements for prompt pick up following the activity.

BEFORE & AFTER CARE

Before and after-school care is provided at a minimal expense for students at St. Mary School. Please contact Mrs. Donna Haithcoat at 533-5527 extension 5520.

CO-CURRICULAR ACTIVITIES

Students can develop leadership and creativity through activities such as Student Council, L.E.A.D., and serving as Crossing Companions.

MINISTRY AND FAITH FORMATION

Classes attend Mass weekly and students serve as Cantors, Lectors, Extraordinary Ministers of Holy Eucharist, and Altar Servers. Students help to plan the liturgy under the direction of their religion teacher. Daily instruction in the Catholic faith and Church teachings is incorporated into the schedule. The school community participates in community service projects throughout the year. Students engage in prayer each morning, before lunch and during class.

SCOUTS

Scouting programs begin as young as Kindergarten and extend through the high school years offering youngsters a chance to grow and explore under the guidance of generous and skilled adults.

ATHLETICS

All parents are encouraged to join the St. Mary Athletic Association, which coordinates a comprehensive, quality sports program for the children of St. Mary School and Parish. Nearly 80% of the students at St. Mary participate in at least one sport during the school year. Parents help coach soccer, basketball, football, volleyball, track, baseball and softball. This year, cheerleading will be added to the list of activities offered. Various fund-raising activities offset the cost for uniforms, equipment, league fees, outside gym rental, etc... The Athletic Association strives to keep athletic fees at an affordable level so that all children can participate in sports. If registration fees might prevent a child from taking part in a sport, parents are encouraged to contact the Athletic Association for special arrangements.

St. Mary School students may opt to participate in Ski Club. Information is sent home via the White Envelope each fall.

ISSE

Students in grades 5 and 6 are eligible to serve as hosts or delegates for the International Student to Student Exchange Program. This opportunity allows an in-depth experience with students of another culture. An information meeting is held each September and families who are interested are asked to submit letters of interest. All expenses are incurred by the families involved. Both host families and delegates share in fundraising to offset expenses.

HIGH SCHOOL TEST PREP PROGRAM

Parents of eighth grade students will be given information on test preparation programs for the November HSPT during *Back to School Night* in September. St. Mary School does not endorse or promote any specific program, but makes them available to parents who may be interested.

TALENTS UNLIMITED

Since 1993 St. Mary School has been utilizing the Talents Unlimited model that allows teachers to integrate divergent thinking skills into the curriculum. The five talents of this model always come directly from the core academic material and include:

- Productive Thinking
- Communication
- Forecasting
- Decision Making
- Planning

Parents are welcome to join new staff members in training through workshops offered at SMS as a way to become familiar with the tools and terminology of Talents.

FIELD TRIPS

Field trips are intended to extend classroom instruction and learning. Permission slips will be sent home to be signed by the parent and returned to the teacher. No student may leave school without parental permission given in writing on the school issued official form. Teachers will notify parents in advance of scheduled trips and associated fees. When transportation is necessary, St. Mary School will seek to utilize yellow bus service. In the event that buses are not available, parents may provide transportation. Parents must have a good driving record and proper insurance coverage. School liability guidelines insist that drivers may not divert from the field trip route or make unscheduled stops. Students traveling in private cars must be properly restrained by seatbelts at all times. Children under the age of 12 should not ride in the front passenger seat of cars equipped with airbags. While on field trips students are to be supervised by teachers and chaperones at all times.

New Ohio law requires children 8 and under to be in car seats or booster seat when traveling by car.

ACADEMIC EXPECTATIONS

❖ ***Homework is an integral part of the learning process at St. Mary and is assigned to reinforce classroom instruction and promote student study habits, responsibility, and time management. Assignments are the responsibility of the students who should complete homework without parent assistance as much as possible. If students need extensive help from parents to complete their homework, teachers should be consulted. The following are guidelines and should take into account long-term assignments and reading.***

- Kindergarten 10 minutes per day
- Grade 1 20 minutes per day
- Grade 2 30 minutes per day
- Grade 3 45 minutes per day
- Grades 4 &5 60-75 minutes per day
- Grades 6, 7 & 8 75-90 minutes per day

To receive credit, assignments should be completed and handed in on time by the student. Please help us to reinforce this by not bringing forgotten homework and books to school. If parents drop off homework during school hours, it will be placed in the teacher's mailbox so that class time is not interrupted with deliveries.

Parents can support their children in the following ways:

- Read over directions
- Arrange a study place at home
- Make homework, study time, and school a priority over other activities
- Explain the steps and let children work through them
- Keep communication with teachers positive and open
- Seek support when needed
- Call the hotline and website for daily assignments and check student planners regularly

HOMework INTERVENTION PLAN

If a student develops a pattern of not completing homework, a parent or teacher can request the implementation of the Homework Intervention Plan. The plan is as follows:

1. The student is required to write all assignments in the planner daily.
2. The student shows the planner to the teacher(s) and asks the teacher to initial the plan book to indicate the assignment is correctly written.
3. The student is required to take the planner home daily and present the book and completed work to his/her parent to initial, thus verifying the work was completed.
4. Positive reinforcement and consequences may be given to the student by his/her parents on a weekly basis according to his/her success rate with the program.
5. Classroom teachers will also support students with positive reinforcement.

MAKE-UP WORK FOLLOWING AN ABSENCE

It is the responsibility of the student/parent to secure from the teacher(s) assignments or tests during an absence from school by calling the School Hotline. Parents should request assignments/materials daily when calling in the absence. Work will be available at the end of the school day if the homework request is made in the morning.

- Assignments and scheduling of make-up work will be at the discretion of the teacher, taking into account the length of the absence. Failure to make-up work will result in a zero.
- It will be the responsibility of the student/parent to obtain assignments. The student will have the same number of days in which he/she was absent to make up the work.
- Students who miss class or are absent without parent approval will not have the privilege of making up any work or tests given and will receive a zero grade for any missed work/test.

VACATION POLICY

- ❖ Parents are discouraged from taking children out of school for vacation purposes. Instruction, discussions, media presentations, hands-on activities, and special activities cannot be made up by paper work alone. Parents are asked to respect the school calendar. Travel may result in lower grades. Students missing tests will have to take them after hours.
 - Please notify the school office one-week in advance of an intended absence and return the schools Vacation Policy form signed, along with a note explaining the absence.
 - Teachers WILL NOT give you assignments before the rest of the class receives them, nor will they run off papers ahead of time. You are responsible to call the SCHOOL HOT-LINE (533-5527) and check teacher web sites each day of the absence for classroom information.
 - Teachers will collect the handout assignments while you are gone and issue them on your return. You will have **three (3) days** after your return to complete all the work and make up tests (outside of regular class time). **No credit will be given for work after that time.** Lower than normal grades may result and must be accepted.
 - Teachers should not be asked to re-teach the material missed.
 - If the non-attendance is scheduled at the end of the school year, all assignments and tests must be completed in advance of the absence at the teacher's convenience. Report cards will NOT be given early in any trimester.

REPORT CARDS

St. Mary School uses trimester report cards as the official reporting to parents. Option C, an online grade reporting system in Grades 4-8 takes the place of interim report cards. In other grades, the format and frequency of these interims is at the discretion of the teacher.

PROMOTION AND RETENTION

The promotion and retention of a student is based upon the recommendation of the teacher(s) involved and the principal who has the final responsibility of assigning pupils to the proper grade.

At the end of the academic year, students who demonstrate mastery of skills at a given grade level will be **promoted** to the next grade level.

Retention may be recommended for those students who have not mastered the skills necessary to move on to the next grade level.

A student may be **placed** in the next grade level even if mastery of skills has not been obtained, but due to extenuating circumstances would not benefit from retention. A placed student will be on **academic watch** the following school year. Classroom teachers, support staff, and parents will closely monitor student progress.

A student who has missed more than 20 days of school may be placed in the next grade, but not promoted, depending upon overall academic progress and circumstances resulting in the absences.

TESTING

Grades 3,4,5,6, & 7 take the Iowa Standardized Test in the Spring.

Grades 2 & 5 will also take a cognitive achievement test in the Spring.

Each spring students in grades 5 & 8 are given the ACRE (Assessment of Christian Religious Education)

Students who are participating in the Ed-Choice Scholarship Program must take the Ohio Achievement Assessments as required by law. These tests are administered in the fall for Grade 3 and in the spring to students in Grades 3-8.

Students new to St. Mary School are given a screening assessment to assure proper placement.

Throughout the year other standardized tests are administered to students on an individual basis at the request of the teacher(s), parents and school support staff.

Test results are provided to parents to show student progress. The overall results are reported to show the school's overall achievement.

Student Records

In the absence of a court order to the contrary, the school will provide a non-custodial parent access to academic records and other school related information on his/her child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

SUPPORT SERVICES

School Nurse- A registered nurse is available to students daily to check vision and hearing of students, to attend to accidents and illnesses, and to keep health records for the student body.

Psychologist- Three days a week a school psychologist is on staff at St. Mary to evaluate and work with students who need assistance with academic or social adjustments. Referrals are made through teachers or the principal. Parental permission is required before a psychologist may test or work with any student.

Intervention Assistance- the IA teacher works with students to target areas of learning challenges in an effort to teach strategies for success. Services may include proctoring tests, as well, working on specific skills.

Remedial reading/math- St. Mary has a fully certified teacher assisting in the remedial areas of math and reading, as well as tutoring students. Referrals for remedial assistance are made through the classroom teacher or parent if they wish to discuss a referral for their child.

Enrichment- the enrichment teacher works with students whose learning is significantly above average in math and language based upon standardized test scores and teacher recommendations. Students are given more challenging, independent study and small group activities.

Speech/Language- A fully certified speech and hearing pathologist is available at St. Mary School on a part-time basis. Referrals can be made through the teacher or psychologist.

These educators work closely with the Principal and classroom teachers in identifying, supporting, and evaluating the needs of St. Mary Students. Parents are notified and called to confer if it appears their child may qualify for these services.

STUDENT HEALTH POLICIES

- ❖ ***Children need to be in good health, well rested and well nourished to devote their energies to learning. Please safeguard your child's health and the health of other children at St. Mary by keeping your child home if he/she has symptoms of infectious illness such as temperature above 100 degrees, a rash, and diarrhea or has been vomiting.***

ILLNESS OR INJURY AT SCHOOL

During the first week of school, emergency forms are sent home. It is imperative that this form be completed and returned immediately. In the event of illness or accident, the information on the form will be used. Any changes in this information must be given to the school office. In case the emergency numbers on the form cannot be reached, the school personnel will use their best judgment in the interest of the child.

IMMUNIZATION

All schools in Ohio are mandated not to permit any child to attend school who does not show evidence of proper immunization. Parents are notified if a child is not in compliance. Students will be excluded from school until all immunizations are current and on file.

SPECIFIC HEALTH CONDITIONS

The school office and classroom teacher should be informed about special health conditions such as allergies, reaction to insect bites or stings, asthma, diabetes, epilepsy, hemophilia, heart disease, etc... so that the school can be prepared in case of emergency.

FOOD ALLERGIES

Food allergies can be life threatening. The foods most likely to cause allergic reactions are peanuts, tree nuts, dairy products, eggs, wheat and shellfish. Food allergies are becoming more common and severe. **We prefer that parents not send in any products containing peanuts or nuts for snacks, celebrations or projects. Peanut butter will still be served in the cafeteria, but a designated peanut free zone will be established.** To help reduce the risk of accidental exposure to these foods we ask you and your child to follow these guidelines:

- Complete a Food Allergy Action Plan for the homeroom teacher. Copies will be made for the school nurse and cafeteria staff. We encourage you to call the school nurse prior to the first day of school to discuss specific food allergies.
- If an Epi-Pen is prescribed for your child, please make sure one is available at school along with the proper forms to authorize the school/ nurse to store and administer this medication.
- Educate your child about managing his/her allergy at school.
- Instruct your child to only eat snacks that he/she brings from home.

MEDICATION AT SCHOOL

Parents are asked to administer medication at home or come to school to administer it. St. Mary School has adopted the following guidelines from the Ohio Association of School Nurses for the administration of medication at school.

School personnel will not administer any drug (prescription or over-the-counter) without the order of the physician and the written consent of the parent/guardian.

1. The principal shall appoint a responsible person or persons to supervise the storing and administering of the medication in the absence of the school nurse. All medication must be clearly marked and stored in a locked cabinet.
2. Written request must be obtained from the physician and the parent/guardian before any medication may be administered by school personnel. The request must include instructions as to the name of the medication, dosage, time, and duration of medication, and possible side effects. A faxed copy may be accepted with a request for a hard copy to follow.
3. Medication must be in original containers (child proof) and have an affixed label including the student's name, name of medication, dosage, route of administration, and time of administration. New request forms must be submitted each school year, and as necessary, for changes in medication order.
4. The medication and the signed permission forms must be brought in to the school by the
5. parent/guardian.
6. Accurate records of the medication given will be kept in the nurse's office.

INHALERS

In order for a student to possess and use a metered dose inhaler, he/she must have written approval from the student's physician and parent, and demonstrate to the school nurse appropriate use of the inhaler. The physician's written approval must address the following:

1. The student's full name;
2. The name and dose of medication contained in the inhaler;
3. When and for how long the medication should be administered;
4. Written instructions for procedures to be followed in the event the asthma medication does not produce expected relief from the student's asthma attack;
5. Any severe reactions that may occur to the student using the inhaler that should be reported to the physician.

COMMUNICATION

❖ ***St. Mary School stresses the importance of communication between parents and school and offers numerous opportunities to obtain information from school or send messages 24 hours a day. It is our hope that all parents will find a way to communicate easily with us.***

SCHOOL HOTLINE

We ask that parents call the school hotline regularly, each day if possible, to hear the special happenings, upcoming events, learning activities, and reminders.

Messages for the principal or the teachers can be left on the HOTLINE at the end of their daily messages or by pressing # during the message. You may leave messages for teachers 24 hours a day. A list of staff names and extensions is available in the PTO Family directory, or you may listen for the list following the principal's daily message.

Please keep in mind that teachers may not have time to access phone calls during the day, but they will check them after school. If you have an issue with a teacher, please follow the problem solving guidelines before calling the principal.

MESSAGES FOR STUDENTS

Students may not be called out of the classroom for telephone calls or other messages. All messages or articles should be left with the school secretary in the main office. Students will be called to the office at the end of the day to retrieve messages.

DAILY ANNOUNCEMENTS

A.M. announcements include birthdays, Morning Prayer, and the Pledge of Allegiance. End of the day announcements will take place each afternoon. Messages for students should be received by 1:30 in the school office.

WHITE ENVELOPE

Every Wednesday a large white envelope is sent home to each school family containing important information from the school. Parents are asked to look for this envelope from your youngest child, read the information carefully, sign the envelope, and return it to school on Thursday. If this envelope is lost students must purchase a new one for \$1.00. Detentions are issued to students who habitually fail to return their white envelope.

Any items for the weekly envelope must be submitted for approved by the principal on the Monday prior to distribution. St. Mary School does not endorse local sports/athletic clubs or other programs; however, information is made available for parents to utilize at their discretion.

SCHOOL NEWS

The office regularly publishes email news bulletins that are also available on the school website.

ONE CALL NOW

St. Mary School will utilize ONE CALL NOW notification system in the event of school closings, delays or emergency information that needs to be quickly received. Please be sure that our school office receives any changes in phone numbers (cellular, work, or home) and email addresses.

CONFERENCES/PICK A TIME.COM

Parent-Teacher conferences will be scheduled at the end of the first trimester. St. Mary School utilizes Pick-A-Time.com for your online scheduling convenience.

At other times in the year, parents and teachers are encouraged to contact one another whenever a conference is needed. Parents are asked to call the school and make an appointment before or after school hours.

ADDRESSING STUDENT RELATED PROBLEMS

The following guidelines should be followed when seeking to resolve problems regarding students, teachers or any situation which may involve school personnel:

1. If a problem occurs in a classroom, parents should contact the teacher in charge of the particular class and arrange a parent-teacher meeting to discuss the situation of concern. The school psychologist is available for assistance, and when appropriate students may be included in the conference.
2. If a problem is not resolved with a classroom teacher, parents may contact the principal.
3. If the problem is not resolved with the principal, parents may appeal to the Pastor. At that time the St. Mary Parish Grievance Policy guidelines will be followed.

PARENT INVOLVEMENT

- ❖ ***Parent involvement at St. Mary is crucial for the success of our school. As the primary educators of your children, parents are encouraged to work within the classrooms, library, cafeteria and playground. You are asked to be resource people, to attend conferences, and to give input into programs.***

PTO

St. Mary School has an active Parent Teacher Organization which works for the overall welfare of the school, and promotes a spirit of cooperation and community among the parents, the faculty and staff. The PTO holds a general meeting at the start of the school year, a parish wide Day of Reflection, and several social events to accomplish its goals. Ongoing business throughout the year is handled by the Executive Board at its monthly meetings (first Monday of the month.) Each year PTO members provide assistance to the school by serving as library volunteers, classroom aides, cafeteria monitors, and playground assistants. Members offer assistance in the office with special projects. They also publish a School/Parish Calendar and a School Directory, listing family names, phones, and addresses, and sponsor a Bid' n Buy booth at the Parish Festival.

PTO generates a wide variety of cultural and enrichment programs for St. Mary children and provides funds for teachers' in-service opportunities and hospitality for parents and staff. In recent years the PTO has assisted with capital improvement projects such as new windows in the gym and landscaping around the parish/school grounds. To raise funds for these projects the PTO conducts Market Day, promotes registering your Kroger PLUS card online to receive community rewards, sells school spiritwear and sponsors several other projects. Keep current with the PTO by visiting <http://www.smshp.com/pto.html>.

SPORTS COMMISSION

All parents are encouraged to join the St. Mary Sports Association, which coordinates a comprehensive quality sports program for the children of St. Mary School and Parish.

Nearly 80% of the students at St. Mary participate in at least one sport during the school year. Parents help coach soccer, basketball, football, volleyball, track, baseball, and softball. Various fund-raising activities offset the cost for uniforms, equipment, league fees, outside gym rental, etc. The Athletic Association strives to keep athletic fees at an affordable level so that all children can participate in sports. If registration fees might prevent a child from taking part in a sport, parents are encouraged to contact the Athletic Association for special scholarship arrangements. Keep current with the Sports Commission at <http://www.smshp.com/sportscommission.html>.

Athletic Association's voicemail: 533-5500, ext. 5780

ADMISSION PROCESS

All children must be registered prior to attending school. Applications for admission to any grade at St. Mary School may be made at ANY TIME for future school years. The administration reserves the right to make admission decisions that are in the best interest of the school, the current students, and the student making application.

❖ *No student will be excluded from St. Mary School solely because of race, color, national origin or ancestry.*

PRIORITY OF REGISTRATION

1. Children from families who are registered and actively participating for at least six months in St. Mary Parish.
2. Children from families, who have changed residence and were registered participants in another Catholic parish.
3. Children from families who have been registered in St. Mary Parish but not actively participating for at least six months, and children from Catholic families outside the parish.
4. Children from non-Catholic families.

Students applying for admission will be given priority in each category if they have siblings already attending St. Mary School and according to the date they apply for admission.

If a family's tuition payments are not current for students presently enrolled in St. Mary School, or any other school, and parents have not made satisfactory arrangements, students will forfeit their priority in registration and enrollment.

No parish child will be denied an education at St. Mary School solely on the basis of financial need. Parents are asked to complete a PSAS form and meet with the principal to discuss tuition support.

In the event that parents are divorced or separated, custody papers must be submitted to the school office. The non-custodial parent has a right to request and receive information about his/her child/ren. The information given may be grades, attendance records and reports of discipline or problems.

DEADLINE

We encourage families to register as soon as you decide to send your children to St. Mary School. St. Mary parishioners and families with children attending St. Mary School will receive priority consideration for available class openings until **December 1**.

OHIO EDCHOICE PROGRAM PARTICIPATION

The Ohio Educational Choice Scholarship (Ed Choice) Pilot Program is administered by the Ohio Department of Education and was created to provide students from under-performing public schools the opportunity, through scholarship funding, to attend participating private schools.

St. Mary participation in the Ohio Ed Choice program is consistent with and, indeed, exemplifies the mission of our school in its broadest sense. It embodies our Catholic values and enriches the SMS community. As such, the St. Mary Education Commission endorses our school participation in this program subject to existing operating policies and procedures of St. Mary School.

With participation comes the need to comply with all program policies and procedures required by the state as outlined in the Ohio Educational Choice Scholarship Program, Policy and Procedure Manual, available online at www.ode.state.oh.us under the school operations tab.

St. Mary Education Commission approved 12-03-07.

TUITION COLLECTION PROCEDURE

St. Mary School has partnered with FACTS Management Company to manage tuition payments. Your initial Invoice (Tuition Account Invoice) from FACTS Management Company will list your total tuition due and some classroom fees for the upcoming school year along with instructions on how to create an online FACTS account and enroll in a payment plan.

Go to <https://online.factsmgt.com> to learn more about managing your tuition.

Students may not be in class at the start of a new trimester if tuition is in arrears. Report cards and records will be held until all financial obligations are met.

TUITION AND FEES FOR 2013-2014

In parish Grades 1-8 \$3350.00
Kindergarten- full day- \$4800.00

Out of parish Grades K-8 \$6050.00

Extra-curricular activities, electives, and field trip fees will be determined at the start of the school year by class/grade. Student fees for art, technology, and other materials and supplies will be determined at the start of the school year by class/grade.

FINANCIAL AID

Families who are in parish and seeking financial assistance should complete the PSAS form at the time of registration. A letter stating financial need should be addressed to the principal.

FUND RAISING

St. Mary School students and families are encouraged to participate in fundraising throughout the year. Families are best suited to determine which events they are most able to support. The Magazine Drive kicks-off each September. This program provides valuable dollars for student activities and special programs. During the spring, SMS students rally for the Raffle Drive. The money raised supports the parish and the FunFest. Each event is intended to be fun-raising with raffles and incentives for student participation. Every level of participation is welcome and each child is made to feel part of the team in working toward a common goal. Programs such as ISSE and Costa Rica often sponsor events or items to assist in offsetting expenses for the families who participate. PTO sponsors Sally Foster gift wrap and cookie dough sales. Market Day, St. Mary Shop and other programs raise money for St. Mary.

ANNUAL FUND DRIVE

A unique opportunity for families, friends and alumni to support St. Mary School exists in the AFD. The drive runs from October through June. Donations are divided among operating expenses and a reserve account. This fund allows us to keep tuition affordable and offer additional academic opportunities for our students.

CAFETERIA AND LUNCH PROGRAM

St. Mary School is pleased to offer students the option of a healthy hot lunch. The price of lunch is \$2.75. Milk will be sold for \$0.50. Parents are to set up a pre-pay account with MealPayPlus.com to monitor their child/children's cafeteria account balance. Any purchases made may only be done with an account that is current. Parents may pre-pay online or by sending a check to school. Checks should include the student's name and account number. Children will check in for lunch in homeroom. Late arrivals must check in by 10:30 to allow adequate time for the preparation of meals. At the beginning of the school year, information will be sent home regarding free and reduced lunch programs. Paperwork must be completed and returned by the date indicated.

BIRTHDAY CELEBRATIONS

We are happy to share in the celebration of children's birthdays. We do require nut free treats. Invitations to private parties are not to be issued or distributed at school and private or select celebrations at lunch or recess may not be held at school. Birthdays are recognized each morning over the announcements and students may visit the office for a birthday treat from the principal.

STUDENT PARTIES

St. Mary School will not encourage, sponsor, or be responsible in any way for parties, dances, or social gatherings held for students after school hours on or off parish premises. Nor will the school administration or teachers become involved in disciplinary actions or financial obligations of such gatherings.

VISITORS

St Mary School welcomes our graduates who wish to visit former teachers. Other student visitors are not permitted during the school day.

The school building will be locked during school hours. Parents and guests are to enter through the front doors on Erie. Please ring the bell and you will be "buzzed" in. All visitors must sign in and out at the front office. A visitor's tag should be worn. Regular volunteers must comply with the Archdiocesan Decree on Childhood Protection. This includes having fingerprinting done and completing a course on child abuse. Certification will be issued by the Archdiocese.

SCHOOL SAFETY ISSUES

Adult crossing guards are stationed at the intersections of Shady Lane and Erie; and Monteith and Observatory. Student safety companions are stationed at the intersection of Shaw and Erie.

Students are not permitted to leave the school grounds once they arrive at school for the day, during class time, recess, or before class begins. Field trips and Electives classes require parent permission before students may leave school grounds.

At least once a year students will engage in a lock down drill practice. A crisis plan is in place and reviewed annually. EXPECTATION: NO SMOKING, DRUGS, WEAPONS

- ❖ ***St. Mary School is a smoke-free, drug-free and child-safe facility. Any violation of school rules regarding smoking, drug use or weapons will result in extremely serious consequences including placement on the Step Discipline Program and possible suspension or expulsion from school.***

NO SMOKING

Students may not smoke on the grounds of St. Mary School or Parish at ANY time. Even possessing matches or lighters, as well as tobacco in any form, are prohibited.

NO DRUGS

You may never have drugs, alcohol, mind-altering substances, or medicine at any time on St. Mary School property.

NO WEAPONS

You may NEVER use or have in your possession any weapon, including but not limited to a gun, knife, or any object that could be used as a weapon or is a weapon look-alike. Possessing or using firecrackers, stink bombs, or any other disruptive or explosive device is prohibited.

NO THREATS/ BULLYING

No verbal threats of any kind will be tolerated.

Students who are being bullied or intimidated are asked to report such acts to the teacher/supervising adult on duty. Students may also file a "Student Violation of Rights Report" with the principal. These forms are available in the school office. Likewise, parents who are aware of bullying should also contact the teacher/supervising adult who will report the behavior to the principal.

To adequately protect victims of bullying, intimidation or harassment, St. Mary School has intervention strategies in place depending on the type of behavior. Such strategies include: providing adult supervision during lunch and recess, monitoring bathroom breaks, and in the hallways during times of transition; maintaining communication with the parents of all involved parties; providing counseling to both victim and perpetrator, and informing school personnel of such incidents and instructing them to monitor the victim and offending party to limit further incidents or retaliation.

The school will notify the police if any student is suspected of an unlawful action. You may be suspended or expelled by the principal or pastor for violating any school rules regarding smoking, drugs, or weapons.

EXPECTATION: DISCIPLINE

The Step Program

St. Mary School instituted the Step Discipline Program to ensure a positive environment for academic achievement for all students.

Classroom teachers will create a classroom management plan for students to assist them in knowing and following expectations necessary for learning. In the event that all steps have been utilized and a student is not able to correct his/her behavior, it may be necessary to be placed in the Step Program.

A student may be placed on Step for repeated disrespect to authority or disturbances in the classroom, major infractions of rules such as physical abuse to others, damage to property, or leaving supervised areas without permission.

The administration reserves the right to impose disciplinary measures for behaviors deemed inappropriate, disrespectful, or dangerous to members of the school community.

Step 1 – The students will have a one-hour detention with the principal and will miss a field trip with the class. The student will be removed from the honor roll that quarter.

Step 2 – Conferences with parents, teachers, principal and student.

Step 3 – Suspension for three days.

Step 4 – Long-term suspension. (Length will be determined by the principal.)

Step 5 – Expulsion from St. Mary School.

DETENTION

Students in grades 2 through 8, whose behavior is not appropriate to the school environment, will receive a detention slip that is to be signed by their parent and returned to the teacher who issued the detention. Teachers determine the time detention must be served. Students who continually or severely disregard the Courtesy Code or the regulations in this Student Handbook will receive a detention. If a student receives **three** detentions in a trimester or **five** per year, he/she will be considered a candidate for the Step Program.

ALTERNATE FORMS OF DISCIPLINE

Alternative disciplinary action shall be proportional to the offense and may include physical labor and assistance with school maintenance. For example, vandalism to school property may result in cleaning the school property; littering or making a mess in the cafeteria may result in clean up duty. Parents will be notified when alternative measures are utilized.

SUSPENSION

The principal may suspend students both in school and out of school. Students will have the opportunity to explain their behavior, and the students' parents will be notified. In the case of extremely deviant behavior, the principal may remove the student from class until the matter is satisfactorily resolved. A suspension will be noted on the report card.

EXPULSION

In extreme cases the principal/pastor may expel a student for academic or disciplinary reasons. Students will have an opportunity to explain their behavior and the parents will be called in for a conference.
