

This year's theme of "One Faith, One Future" is a good reminder to all of us about our shared mission and destination. It's exciting to be part of St. Mary School with a 108 year tradition of passing on our Catholic Faith! You too share in helping to form each of our students into young disciples. Your monetary gifts to the Annual Fund help to support our daily efforts and they afford us the opportunity to enrich each child academically and spiritually.

In our Catholic school, faith sharing is easily seen between our teachers and their students. It's also beautifully expressed in our Saint Families and in our school masses. Our school day begins with the daily word and then we make that word present in practice by living out the "Love Spoken Here" motto.

Together we have faith in God and faith in a future where we will endure and thrive. In a time when others are closing or decreasing significantly in enrollment, we are strong with 473 students. We know that our faith-filled supporters will not let us fail. I thank you in advance for the privilege to continue to expand and dream of things to come here at St. Mary School!

Yours in Christ,

Marianne Rosemond

2016-2017
ANNUAL
FUND

Since 2005, donations from parents, grandparents, past parents, staff, and friends of St. Mary School have supported the Annual Fund. These gifts support our annual operating budget and the reserve account allowing us to keep tuition highly affordable and provide for yearly technology upgrades and school building improvements.

I am humbled and honored to serve such a generous community. Please join us in our 2016-2017 One Faith One Future Annual Fund and help us reach 100% participation from our entire school community. Every gift counts and is appreciated. Thank you!

Your friend in Christ,

Fr. Ke Schaff
