

Grade Level Bid 'N Buy Basket Donations

The end of the year is quickly approaching, which means the St. Mary FunFest is just around the corner!

This year, we are bringing back a basket raffle in the Bid 'N Buy tent and we need each grade level's help to make it happen!

Below, is the basket theme for each grade. We need your help with donations to fill each basket. In the past, we have put together some amazing baskets to raffle off during the festival so we're hoping that this year is no exception!
