

St. Mary School Jr. High Electives

A long-running favorite offering at St. Mary School is our Friday afternoon elective program for 7th & 8th grade students. Jr. High Electives allow students to engage in different fine art, physical education, or skill-building pursuits each trimester. Classes are from 2:00-3:30, providing an extended period to “dig in” to the activity and bond with their elective classmates.

The Fall 2022 Trimester offerings include:

- Running with Mr. Geeding
- Movies & Morality with Fr. Ken
- Woodworking with Mr. Kletz
- SoulCore with Mrs. Holtman
- Spanish Culture with Senorita Scandy
- Yearbook club with Mrs. Greiner
