ANNUAL FUND

The St. Mary School Annual Fund directly benefits our students and school community. Thanks to the generous support of parents, grandparents, faculty, alumni, and friends, we can make needed improvements to our historic school building, enhance the student learning experience, and plan for the future. We are deeply grateful.

100% of Annual Fund gifts go directly into the School Reserve account, supporting school improvements and student programs. Every gift, large or small, strengthens the future of St. Mary School, helping us nurture a strong Catholic foundation while providing our students with a robust academic education.

Any surplus in the School Reserve will be directed toward student programming and future capital improvements to our school building.

Thank you for supporting the tradition of forming St. Mary School students in Catholic faith, holiness, academic excellence, and with compassion for all of God's children. Together, let us celebrate the 2025–2026 school year and alongside our students, **Love Jesus!**

Your 2025–26 Annual Fund gifts will support:

- Renovating the space in front of the cafeteria (Erie Ave side) to create a small-group classroom
- Adding additional security enhancements across campus
- Purchasing new student Chromebooks
- Updating and installing exterior door awnings
